

JAZZ

STOP MOTION

East Sussex based | 07443939052 | Jazzgregorystopmotion@gmail.com | [Linkedin: Jasmine Gregory](https://www.linkedin.com/in/JasmineGregory)

About me:

A stop motion animator that specialises in set building and post production, she's ready to get into the industry. Having great critical thinking skills that helped with the Bronze Duke of Edinburgh and time management skills from a degree that allowed for successful delivery on deadlines to the highest quality. In addition to this, she showcases teamwork skills after working on previous group projects including a client brief. Jazz has a deep understanding of Adobe software whilst also being able to self-reflect on current projects.

Key Skills:

- **Communication** – Able to communicate within a team effectively whilst also being able to adapt to other peoples needs and language barriers.
- **Providing Feedback** – Looking at films and other pieces of media critically and able to provide constructive yet positive feedback to take pieces to the next level.
- **Adobe Software** – Well versed in Adobe Products such as Photoshop, After Effects, Audition, Premier Pro and Acrobat.
- **Dragonframe** – A deep understand and knowledge of Dragonframes UI and capture system as well as an extensive understanding of exporting sequences.
- **Camera Understanding** – Having used Canon cameras with different lenses within previous work, can troubleshoot camera malfunctions.
- **TV Paint** – Using the 2D animated software for animation tests and brief 2D projects.
- **Attention to Detail** – Going through scenes with a fine eye and able to identify corrections that need to be made.
- **Teamwork** – Having worked in a team before for a group film and a client brief.
